REMARKS/ARGUMENTS

The Examiner is thanked for the thorough office action and the indication of allowable subject matter. Claims 1, 5-7, and 9 have been canceled without prejudice to further prosecution. Claims 2-4 have been recognized as containing allowable subject matter. Claim 8 has been amended to make it dependent on claim 2 to correct a typographical error in dependency, thereby overcoming the rejection under 35 U.S.C. §112 second paragraph.

CONCLUSION

In view of the foregoing, Applicants believe all claims now pending in this Application are in condition for allowance and an action to that end is respectfully requested.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at (650) 326-2400.

Respectfully submitted,

Kenneth R. Allen
